TO SHIPPERS AND CONSUMERS P BUTTER IN THE CHINA AND EAST INDIA PORTS. TT has been brought to our notice that certain 1 parties are packing BUTTER for the China market, and representing themselves as "sole agents for HORACE L SILL," and that the representations made by one of said parties in China had the effect to obtain for the to-called "Stat's While we care nothing about the use of Mr. Sill's name, we feel a regard for our own redu-

tution, and do not wish to remain under even a suspicion of inferiority which a difference in price inevitably suggests. We therefore beg leave to call your attention to the following facts. Our Mr. O. H. PRATT Was connected in business with H. L. Sill from 1844 to 1856. Mr. Silt retired from active business in 1853, retaining a special interest until 1856, when all connection coased, and since that time has not packed any BUTTER for shipment. From 1847 to 1856 Mr. PRATE personally selected and supervised the packing of every pound of BUTTER that left this port branded "H. L. Sill." Iu 1857 and 1858 he branded "O. H. PRATT. SUGcessor to H. L. Sill," but since that time has preferred to let his BUTTER go under his own name and stand upon its merits. Mr. PRATE, as Mr. Sill's partner and successor is the only party legally entitled to use the brand H. L. Bill." and the present packers of th so-called "Sill's brand" of BUTTER, knowing that fact; attempt to get around it by styling themselves " sole agents;" the fallacy of which is apparent from the fact that Mr. Sill has not hoked any BUTTER for over thirteen years. With over twenty years' experience in packing for the China market, controlling some of the
